- An internal candidates to fill a GS-14 cadre position.
- A Federal Government employee to serve on a two-year reimbursable detail assignment in the ODNI. The detail assignment may be extended an additional year if all parties agree.

## Who May Apply

Current GS employees at the same grade or up to one grade below may apply.

Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- For a cadre assignment:
  - Current ODNI permanent cadre.

- For a detailee assignment:
  - Current Federal Government employees. (Current GS employees at the same grade or up to one grade below may apply.)

## **Salary Determination**

- The ODNI uses a rank-in-person system in which rank is attached to the individual.
- A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.

## **Component Mission:**

The National Intelligence University (NIU) is the Intelligence Community's sole accredited, federal degree-granting institution. NIU advances the intelligence profession through a holistic, integrative, contextual approach to education that promotes dynamic teaching, engaged learning, original research, academic outreach, analytical problem solving, rigorous research methods, collaborative processes, and lifelong learning.

## **Major Duties and Responsibilities:**

Serve as a faculty member at the National Intelligence University, teaching courses in the information and influence intelligence (I3) concentration as well as core intelligence courses in the Oettinger School of Science and Technology Intelligence.

Teach courses in such areas as basic and advanced denial and deception, information power, information warfare, psychology of information and influence, media, propaganda and similar topical areas.

Knowledge of, and experience working on adversarial denial and deception programs and foreign information and influence programs, including how adversaries manipulate and propagate disinformation and its influence on target audiences.

Teach I3 courses as well as core intelligence courses in the S&TI school, will perform research in his/her field of expertise,

Serve as a thesis advisor/reader to students working in the I3 discipline.

Duties also include participation in relevant NIU and IC communities of interest as well as outreach to other IC, USG organizations and academia as appropriate

Performs other duties as assigned

## **Mandatory Requirements:**

Demonstrated knowledge and experience applying the concepts, tools, and methodologies of information power, to include information operations, foreign influence/messaging campaigns, denial and deception, communications media and propaganda, strategic communication, or other experience related to information power and influence intelligence.

Demonstrated experience working in or with the intelligence community evaluating or preparing all-source analytical intelligence reports for senior US government decision-makers.

Demonstrated experience preparing and delivering briefings to large and diverse internal and external audiences on complex or controversial topics and communicating them in an understandable manner that is appropriate for the audience, from students to senior level decision-makers

Demonstrated experience in academic research and scholarship, writing and reviewing research papers, with demonstrated contributions to the field of information power, military information operations, propaganda, denial and deception, mass communications/strategic communication, or social psychology, and the overall information-influence

Experience with teaching courses at the graduate or undergraduate level and directing student research projects. Experience delivering training classes is not a substitute for experience delivering graduate-level education

## **Desired Requirements:**

Experience with Intelligence Community operations, collections, analysis, or applications, including military intelligence operations. Experience in intelligence support to information activities a plus.

Detailed knowledge of adversary foreign information operations and influence campaigns, cognitive factors in propaganda, denial and deception strategies, tactics and equipment capabilities.

Experience with academic course and program development, including creating and evaluating academic assessment data and standards.

Served in positions of responsibility within organizations responsible for the application or management of information and information-related capabilities.

Successful completion of a full course of study in an accredited college or university leading to a Master's Degree or higher that included or was supplemented by major study or work experience in a subject-matter field appropriate to this position:
