## **The Office of the Inspector General of the Intelligence Community Completes Review of the Office of the Director of National Intelligence Pandemic Preparedness and Response**

**(August 2022)** The Office of the Inspector General of the Intelligence Community (IC IG) completed a review of the Office of the Director of National Intelligence pandemic preparedness and response (INS-2021-002). The review assessed ODNI emergency management plans and practices to mitigate the effects of a pandemic emergency, and determined the extent to which ODNI developed and implemented workforce health and safety measures in accordance with broader, governmentwide guidance.

The report was submitted to the Director of National Intelligence and included three recommendations.
