 - Current Federal Government employees. (Current GS employees at the same grade or one grade lower than the advertised position grade may apply).

Salary Determination:

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission:

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

Major Duties and Responsibilities (MDRs):

Within the National Counterterrorism Center's Directorate of Intelligence (NCTC/DI) is a unit focused on identifying unique insights leveraging all-source analysis to help policymakers combat terrorism. AD is seeking a motivated analyst at the full performance level who is committed to driving policy understanding through sophisticated intelligence analysis.

The group has an expansive mission that requires a rigorous approach to analysis and collaboration across the IC. The group has also been at the forefront of NCTC's efforts to develop data-driven network analysis to identify unique analytic insights, while continuing to provide the highest quality strategic analysis on CT topics. Within NCTC you will have the opportunity to:

- Drive the IC's understanding of key CT issues across the entire continent of Africa, by writing tactical and strategic analytic products.
- Capitalize on NCTC's unique access to data and tools to perform multi-methods analysis.
- Prepare and present written and oral briefings to senior internal and external customers.
- Prepare ODNI and NCTC senior leaders to represent the IC's view in policy discussions.
- Engage frequently with customers and stakeholders to ensure NCTC's products are timely and relevant.
- Continue to build your area of expertise and writing and critical thinking skills through ongoing training.

Mandatory and Educational Requirements:

- Strong analytic and critical thinking skills, including the ability to think strategically.

- Demonstrated knowledge of written tradecraft and a track record of producing written products that are clear, concise, and well-organized. Ability to effectively express thoughts verbally and deliver engaging, informative briefings, often under tight deadlines.
- Strong interpersonal skills, including an ability to collaborate with others to complete tasks.
- Demonstrated ability to remain open-minded and change opinions based on new information and requirements; ability to find creative solutions to tough analytic problems.
- Ability to perform multiple tasks.
- Knowledge of US policy and national security issues.

Desire Requirements:

- Experience: Generally, two or more years of related work experience.
- Education: Bachelor's degree in subject matter area, or closely related discipline.
