Hi, (b)(3),(b)(6) – do you have time to help with the below?

SC needs to work with IMO to identify which FOIA records on DNI.GOV have been requested more than 3 times.

(b)(3),(b)(6) appears to be offline, so I am not sure who the best POC will be in IMO.

(b)(3),(b)(6) has a link to (b)(1),(b)(3), which might be a good place to start.

We need someone to (1) connect with IMO and (2) Make a plan for how to review and (3) Review.

The DNI FO wants a list of all the records that have been requested 3x and need to go back up for their awareness.

Thank you!

(b)(3),(b)(6) can you be sure (b)(3),(b)(6) only includes the below contact on the FOIA page and the Annual Reports from only the last seven years to date? Also could you circle up with IMO tomorrow about going through the reports which were requested three or more times? Before republishing those reports, I think we should list them all for the DNI FO so they are aware of what needs to go back up.

Charles - Wanted to give you an update. We are moving to put DNI.gov back online with everything except the FOIA page, on that page we only want to include what is statutorily required. The website should be back up by morning. (b)(3),(b)(6) (cc'd), Chief of Staff for Strat Comms, looked through some emails and is tracking that the only requirement is for us to post the Annual FOIA Reports from the last 7 years. I wanted to circle up with you to see if you are tracking the same and if there's any other requirements we should keep up.

Just talked to (b)(3). It was the (b)(3) that caused the fuss. The document was sent out via a FOIA, (b)(3) ...meaning the doc on the backend should be under the FOIA release portion of our website. He is trying to find a copy of it to send me as well.

Madeline E. Meeker-DNI- 4:28 PM:

(b)(3) has started working to restore DNI.gov, it takes some time, so we are looking at early tomorrow morning. FOIA pages will not be included with the exception of statutory requirements. I will work with Charles to be sure what his team told us for statutory requirements is actually required by law.

Hi (b)(3),(b)(6)

I have no objection to your provision of the below information (b)(3),(b)(5). It might be beneficial for us to have a conversation about this next week, because I met with Rebecca Richards from CLPT this week and providing responses to similar questions on behalf of IMO. According to Becky, (b)(3) met with her on 29 May (yesterday) to talk about the release of this document.

In the event it may be helpful, I sent the following note to Becky to pass along as needed (b)(3)
(b)(3)

“I’d like to reiterate that the decision to release that document occurred during the previous Administration by individuals who are no longer present. IMO is committed to ensuring all relevant stakeholders are included in future production decisions.
