

DIRECTOR OF NATIONAL INTELLIGENCE  
WASHINGTON, DC 20511

August 3, 2007

**Statement by the Director of National Intelligence  
Mr. Mike McConnell**

I have reviewed the proposal that the House of Representatives is expected to vote on this afternoon to modify the Foreign Intelligence Surveillance Act. The House proposal is unacceptable, and I strongly oppose it.

The House proposal would not allow me to carry out my responsibility to provide warning and to protect the Nation, especially in our heightened threat environment.

I urge Members of Congress to support the legislation I provided last evening to modify FISA and to equip our Intelligence Community with the tools we need to protect our Nation.
