Component Mission:

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

Major Duties and Responsibilities (MDRs):

NCTC ITS seeks an experienced manager to oversee the work of data scientists to improve the collaborative workflow of NCTC and external partners within the Intelligence Community. You will:

- Oversee and direct the day-to-day operations; establish priorities, develop office procedures and policies, and lead multiple teams in both substantive technological initiatives.
- Lead a professional staff, assess performance, oversee goal setting, and provide feedback on personal and professional development.
- Ensure performance requirements, goals, measures, and assessment activities are established, met, tracked, and reported.
- Manage and assess the status of assigned projects on a continuous basis, to include resource management and contractor support.
- Develop and sustain partnerships with both internal and external working groups throughout the Center.
- Provide substantive feedback to include career development counseling and skills development.
- Develop analysis of program alternatives.

Mandatory and Educational Requirements:

- Expert ability to plan strategically, analyze and assess programmatic initiatives, and report trends impacting mission objectives.

- Outstanding interpersonal skills and the ability to build consensus, work effectively and independently, and influence key stakeholders to build a broad coalition promoting an interagency and national approach to terrorism and counterterrorism.
- Excellent oral and written communication skills.
- Ability to multitask and change focus quickly as demands change.
- Expert knowledge of the mission, charter, roles, and responsibilities of the ODNI, IC, and USG agencies, and how these organizations can effectively integrate terrorist identities capabilities and synchronize screening roles and responsibilities.
- Superior ability to develop effective professional and interpersonal relationships with peers and colleagues in the ODNI, the IC, and USG, and to earn their confidence and trust to manage negotiations and consensus building.
- Outstanding interpersonal skills and the ability to build consensus, work effectively and independently, and influence key stakeholders to build a broad coalition promoting an inter-agency and national approach to terrorism and counter terrorism.

Desired Requirements:

- Experience: 7-10 years of related experience is preferred.
- Knowledge of appropriate analytic methods and methodological tools in one or more of the following areas: mathematics; computer science; data visualization.
