Component Mission:

The Office of the Director of National Intelligence (ODNI) Deputy Director of Mission Integration (MI) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. MI is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, MI is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. MI is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

Major Duties and Responsibilities:

Serve as the staff representative for cross-NIM management integration efforts, including on resource justifications and legislative reviews, monitor and summarize congressional budget actions, and provide substantive input for appeals to congressional budget markups.

Serve as staff lead on IC resource issues/priorities, including regarding DDDs, UFRs, and other resource vehicles.

Lead, plan, and author IC resource strategies, analytical issue papers, strategic evaluations, background papers, talking points, resource issue papers, and/or other analytic products applying extensive subject matter knowledge to support the IC senior leadership in making informed programmatic decisions.

Analyze and evaluate (on a quantitative/qualitative basis) the effectiveness of current and planned NIP investments in meeting established IC goals and objectives. Evaluate and advise on organization, methods, procedures, and resources (NIP and MIP where appropriate) programs.

Represent REE during the development of the Intelligence Planning Guidance (IPG), working closely with staff to accurately complete health assessments, create community direction for risk areas and priority activities, and translate IPG actions into Consolidated Intelligence Guidance programmatic actions.

Lead the periodic updating of the REE Unifying Intelligence Strategy. Work with and through REE staff and strategy boards to identify goals, objectives, initiatives, gaps, strategic environment, and methods for measuring performance and implementation.

Provide expert advice and guidance in support of IC performance planning, resource management, and budget justification process improvement efforts.

Tracks Joint Hard Target Strategies NIP resource issues, maintain cognizance of related resource expenditures and movements, alerts NIM REE leaders to unexpected resource reallocations and/or movements.

Mandatory Requirements:

Superior ability to design and implement integration strategies for IC initiatives and programs, including the superior ability to manage human and financial resources.

Superior analytical and critical thinking skills, including the superior ability to think strategically, identify needs and requirements, develop recommendations, and evaluate outcomes against goals and objectives.

Superior oral and written communication skills, including superior ability to draft and edit written reports of varying length and complexity, and to communicate effectively with audiences of varying seniority and expertise.

Expert working knowledge of the Intelligence Resource Information System (IRIS) and the data and capabilities it provides.

Expert knowledge of the IC, OMB, and congressional budget processes, procedures, timelines, and guidance.

Good understanding of the relationship among strategy, planning guidance, programmatic guidance, and budgeting documentation.

Demonstrated superior organizational and interpersonal skills, specifically, the ability to negotiate, build consensus, and work effectively in a collaborative environment; and the superior ability to establish and maintain professional networks across the ODNI, especially with the IC CFO.

Superior ability to apply analytic, diagnostic, and qualitative techniques, conduct independent research, filter and synthesize resource, performance, and mission data sufficient to identify and evaluate alternatives and produce clear, logical, and concise products and recommendations to the NIM-REE and ODNI leadership.

Desired Requirements:

Superior leadership skills and ability to lead interagency working groups, build coalitions with IC elements to achieve common goals.

Knowledge of Russia, Europe, and Eurasia regions IC resource issues.

Contracting Officer's Technical Representative (COTR) certification.
