This announcement will be open until the position is filled. Cut off points are scheduled in two-week increments. After each cut off point, all compliant applicants received during the previous two weeks will be reviewed for consideration.

Component Mission

Strategy and Engagement aligns the IC's current focus with our future strategy to drive national security outcomes. S&E looks over the horizon to set a strategy for the future, and drives our current effort in support of that future strategy. We position the IC to achieve our future vision by leading transformative initiatives and cutting-edge research and development; supporting and spurring innovation; re-imagining data management in the digital age; and actively engaging with our overseers and the public.

Major Duties and Responsibilities (MDRs)

- Oversee the overall health of S&E, including corporate processes and management of corporate resources and assets.
- Establish, guide, and oversee S&E working groups, boards, and committees, as needed, to support accomplishment of corporate and strategic goals.
- Engage and stay current on S&E substantive issues, as needed.
- Represent S&E on-related fora and conduct ongoing collaboration and outreach with stakeholders and partners across the ODNI, IC, and oversight organizations (e.g., Congress), as needed, to meet mission objectives.
- Oversee the financial and budgetary management for all of S&E and oversee execution of the S&E budget.
- Lead a professional staff in successfully defining and managing complex programs and projects that may include ill-defined requirements, ambiguity, parallel tasks, multiple dependencies, high risks, and multiple interfaces; ensure timelines, costs, deliverables, and outcomes are achieved according to approved plans.
- Manage a cadre of Contracting Officer Technical Representatives (COTRs) and Resource Managers to direct resources and to meet requirements.

Mandatory and Educational Requirements

- Manage, lead and develop standard operating procedures and operational guidance to achieve DNI and directorate goals and objectives.
- Manage, lead and develop dynamic and long-term planning efforts in the current and anticipated planning structure.

- Perform personnel management responsibilities with a focus on building a high performance workforce; promote team building and a collaborative work environment; ensure goals and performance objectives are understood; assess performance and provide timely feedback, recognition, and remediation.
- Provide leadership, guidance, and oversight of staff in order to elicit, analyze, and define customer/stakeholder requirements, support development of investment plans, and ensure development of business cases in order to meet stakeholder requirements.

Desired Requirements

- None
