The following are specific tasks assigned to this role:

Manage to ensure that intelligence supporting Continuity of Operations, Continuity of Government and Enduring Constitutional Government is available and shared with all appropriate IC personnel.

Lead the evaluation of IC's efforts to build and sustain a continuity capability against existing requirements.

Oversee the development of programs, personnel, budget, and training to ensure the continuation of mission in the event of an emergency.

Plan an annual "state of the mission", report in writing to the Director of National Intelligence (DNI) for their assigned mission areas.

Oversee the development of national intelligence and preparedness policy to support mission requirement, as need.

Liaise with IC partners to ensure that resources are properly arrayed to address continuity requirements identified in existing policy.

Lead the mission and enterprise objectives of the National Intelligence Strategy (NIS) or other national level guidance documents.

Recommend the transfer of the personnel, funds, or additional resources, across the IC to improve efficiency of effectiveness of intelligence activities against their assigned missions.

Lead a team of professional staff and assess performance, collaborate and oversee goal setting, and provide feedback on personal development.

Mandatory and Educational Requirements

Outstanding leadership at the senior level of a diverse organization that requires integration across multiple organizational boundaries.

Superior team building skills and briefing capability

Demonstrated expertise in collaborating with IC partners, and integrating information to develop products for ODNI decision makers.

Demonstrated experience leading strategic planning, process improvement, or change management while ensuring multiple, high-visibility tasks remain on target for execution.

Demonstrated capability in addressing complex and hard problems with limited and/or conflicting information.

Superior interpersonal skills with the proven ability to communicate effectively with a highly diverse and inclusive workforce using a variety of techniques to ensure full commitment to the goals and mission of the organization.

Desired Requirements

Prior experience supporting or leading continuity/emergency planning for a major organization or agency.

Excellent knowledge of the roles and responsibilities of other IC agencies and what capabilities they bring to bear on different problem sets.

Prior experience developing and using data analytics to establish quantifiable metrics.
