Position Information

This is an opportunity for:

- An internal candidate to fill a GS-13 cadre position.
- A Federal Government employee to serve on a two-year reimbursable detail assignment in the ODNI. The detail assignment may be extended an additional year if all parties agree.

Who May Apply

Current GS employees at the same grade or one grade lower than the advertised position grade may apply.

Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- **For a cadre assignment:**
 - Current ODNI permanent cadre.
- **For a detailee assignment:**
 - Current Federal Government employees. (Current GS employees at the same grade or one grade lower than the advertised position grade may apply.)

Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

Major Duties and Responsibilities (MDRs)

- This position is a great opportunity to be introduced to the Counterterrorism mission as a JDA or a stepping stone to broaden experience in the CT mission!
- DTI's team responsible for screening and vetting; screens individuals traveling to the U.S. by reviewing Visa, Electronic System for Travel Authorization (ESTA), and immigration benefit applicants against TIDE and other IC. Under this capacity, analysts generate leads for screeners, investigators, collectors, and operational elements regarding previously undetected links between U.S.-bound travelers and terrorism-associated people and data as well as terrorists using non-watchlisted names and aliases, or whose watchlist records lack sufficient identifiers. This position involves:
- Contributing to the management and coordination of projects for NCTC and DTI Senior Executives by researching, writing/editing, collaborating on, and performing the initial review of time-sensitive information, correspondence, papers, policy, and briefing materials in response to taskings and action items from internal and external sources.
- As directed, coordinating screening and vetting operational and administrative matters, review and investigate issues, and developing initial solutions and options; maintaining situational awareness of issues affecting organizational equities and the status of multiple projects.
- Reviewing, developing and tracking SVG responses to correspondence, action items, and large volumes of taskings; monitoring response progress, coordination, and collaboration; tracking progress against actions from internal and external sources.
- Researching and writing drafts of screening and vetting talking points, correspondence, executive summaries, communications, presentations, and briefing materials; preparing activity reports and summaries.

- Providing immediate logistical support for a large group with a “no fail” operational mission. Including tracking seat assignments, system requirements, SVTC connections, and management/analyst needs.
- Contributing to the development of processes to monitor the dissemination of information, continually improving and maintaining suspense database systems; maintaining records in compliance with regulations and sensitive compartmentation.

Mandatory and Educational Requirements

- Knowledge of the ODNI, IC agencies’ mission, organization, collection, and production responsibilities, as well as ODNI and IC administrative policies, procedures, and authorities.
- Knowledge of IC information management security guidelines, document storage, and classification guidelines.
- Excellent interpersonal skills, written and oral communication skills, with demonstrated experience communicating effectively with audiences of varying seniority and expertise.
- Analytical, critical thinking, and problem solving skills, including the ability to interpret complex information from multiple sources and anticipate need.
- Ability to work both independently and in a team or collaborative environment with an ability to be flexible to quickly changing priorities.
- Research, planning, and organization skills, and ability to manage changing and competing priorities under strict timelines while maintaining a high level of attention to detail.

Desired Requirements

- Experience working watchlisting efforts and working in TIDE
- Understanding of the IC’s watchlisting and screening process
- Experience working in or with NCTC
- Experience drafting responses to senior policy makers
