Maintain situational awareness of significant issues affecting NIM Near East in general, Iran in particular, and the broader community and alert senior NIM Near East and ODNI / DDII staff regarding emerging issues that affect the office.

Lead cross-ODNI and cross-IC collaboration and integration to ensure customer requirements and priorities align with IC mission, goals and objectives in Near East as they address policy requirements, collection emphasis, and federated community production.

Lead the development and preparation of internal and external memoranda, senior leadership talking points, tasking responses, and other correspondence.

Brief senior IC leadership, policymakers, and other major stakeholders as necessary on the Iran portfolio, to include initiatives, challenges and opportunities.

Represent the NIM Near East office at internal and external meetings, conferences, and other fora.

Support briefings to senior IC officials and other major stakeholders collaboration progress, issues and challenges.

Mandatory Requirements:

Expert knowledge of IC members; their missions, structures, capabilities, processes, policy development, and tradecraft programs.

Expert knowledge of IC all-source analysis, collection, and mission management activities across all intelligence disciplines.

Expert knowledge of ODNI organization, mission, and objectives.

Superior analytical and critical thinking skills, including the ability to think strategically, identify needs and requirements, develop recommendations, and evaluate outcomes against goals and objectives.

Superior leadership skills and ability to lead interagency working groups and initiatives to synchronize and advance UIS objectives.

Superior interpersonal skills and ability to work effectively, independently, and in a team or collaborative environment.

Expert ability to design and implement integration strategies for IC initiatives and programs, including the ability to manage human, financial, and information resources.

Expert ability to observe, measure, and evaluate outcomes against goals and objectives and direct the development and implementation of solutions and/or organizational changes.

Superior oral and written communication skills with demonstrated ability to view substantive and administrative issues, exert influence to senior leadership, communicate effectively with people at all levels (both internal and external), brief management on reviews and findings, and organize and edit written reports of varying length and complexity.

Desired Requirements:

Experience with multiple intelligence source disciplines.

Experience with Department of Defense and military entities.
