Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Intelligence Integration (DDNI/II) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. DDNI/II is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/II is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/II is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

Major Duties and Responsibilities (MDRs)

- Assist the Chair and Vice Chair in developing and implementing a process to rank and prioritize competing NIMC corporate requirements through a transparent and accountable methodology.
- Guide and monitor governance structures to ensure the NIMC Front Office makes decisions through the appropriate fora and resolves disputes expeditiously.
- Assist in leading substantive assessments of NIMC corporate issues in order to identify and leverage best practices and lessons learned.
- Collaborate with the Chair and Vice Chair to design and create impactful marketing materials that strengthen the NIMC brand and facilitate effective communication with internal and external partners.
- Develop and support briefings to senior IC officials and other major stakeholders on a wide array of mission management issues and challenges.
- Engage counterparts on tactical coordination issues to ensure effective implementation of flagship collaboration initiatives.

Mandatory and Educational Requirements

- Superior analytical and critical thinking skills, including the superior ability to think strategically, identify needs and requirements, develop recommendations, and evaluate outcomes against goals and objectives.

- Superior interpersonal skills and superior ability to work effectively in both independent and in a team or collaborative environment.
- Superior oral and written communication skills, including superior ability to draft and edit written reports of varying length and complexity, and to communicate effectively with audiences of varying seniority and expertise.

Desired Requirements

- Expert knowledge of IC organizations; IC mission posture, structures, capabilities, processes, and policy development.
- Superior leadership skills and ability to lead interagency working groups, build coalitions with IC elements to achieve common goals.
- Superior ability to design and implement integration strategies for IC initiatives and programs, including the superior ability to manage human, financial, and information resources.
