Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The mission of the National Counterintelligence & Security Center is to lead and support the U.S. Government's counterintelligence (CI) and security activities critical to protecting our nation; provide CI outreach to U.S. private sector entities at risk of foreign intelligence penetration; and issue public warnings regarding intelligence threats to the U.S.

Major Duties and Responsibilities (MDRs)

Plan, guide, and conduct the research and identification of key program issues, evaluate alternatives, and develop innovative proposals for decision by senior leadership.

Plan, evaluate, and determine relevance of source material, evaluate procedures, analyze data, and develop innovative proposals for decision by ODNI senior leadership.

Plan, research, and identify key intelligence program and budget issues, evaluate program alternatives, and provide structured recommendations in accordance with the organizational policies, procedures, and viewpoints.

Plan, develop and present findings, conclusions, options, and recommendations to senior management.

Plan and produce IC resource strategies, analytical issue papers, strategic evaluations, background papers, talking points, resource issue papers, and other analytic products applying extensive subject matter knowledge to support the IC senior leadership in making informed programmatic decisions.

Serve as a member on interagency committees or in national security organizations involved in reviewing, analyzing, developing and issuing national policy directives and drafting legislation affecting security policies and programs throughout the Government and private sectors.

Mandatory and Educational Requirements

Extensive program management, analytic, and critical thinking skills, including superior ability to conduct program and management assessments, to identify needs and requirements, and to develop non-linear process improvement recommendations for implementation across the IC.

Demonstrated organizational and interpersonal skills, and demonstrated ability to negotiate, establish IC-wide teams, and effectively and independently manage in a team or collaborative environment.

Extensive experience examining program/project successes and failures and making recommendations to improve products and services; demonstrated ability to deal with service failures and prioritize customer needs.

Demonstrated ability to establish regular contact with high-level internal and external resources and have periodic contacts with other offices, supplying or seeking information on specialized and non-specialized matters.

Demonstrated ability to communicate, both oral and in written, complex information in a clear, concise manner that is targeted to and meets the needs of diverse audiences with different perspectives and objectives.

Desired Requirements

Familiarity with the National OPSEC Program, counterintelligence practices and principles, and insider threat issues to include relevant policy, regulatory standards, and guidance.
