Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Intelligence Integration (DDNI/II) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. DDNI/II is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/II is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/II is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

Major Duties and Responsibilities (MDRs)

- Lead, in partnership with the Team Chief, the Directorate for Mission Integration's Special Programs Integration Office, ensuring that DMI officers are able to integrate controlled access program (CAP) material in their work supporting the DNI, other senior IC leaders, and US policymakers.
- Lead and implement a repeatable process to tailor compartmented CAP access support to DMI personnel and missions, to include the PDB, NIC and NIMs.
- Lead developing and expanding engagement with other elements within the ODNI and across the Intelligence Community to address and resolve CAP issues, including reporting and dissemination issues.
- Lead stakeholders to develop the roadmap for the strategic solution to compartmented collaboration.
- Utilizing awareness of DMI priorities, flag CAP materials for relevant officers, providing context and insight in support of the broad array of DMI activities and responsibilities.
- Lead the development of long-term strategic initiatives for the Intelligence Community (IC) to meet present and future CAP integration needs.
- Lead stakeholders to develop the roadmap for the strategic solution to compartmented collaboration. "

Mandatory and Educational Requirements

- Expert organizational and interpersonal skills to facilitate diverse forums, manage competing priorities, and advocate new ideas/concepts/processes.
- Superior communication (written and verbal) skills to effectively and efficiently communicate organizational vision, mission, and plans.
- Superior team-focused leadership skills. Ability to lead people, working groups, and build coalitions with IC partners to achieve common goals.

Desired Requirements

- Extensive experience in CAPs and/or Special Access Programs (SAPs).
- Superior ability to design and implement plans and strategies, including the ability to manage human, financial, and information resources.
- Superior ability to exercise independent judgment on time-sensitive issues and work collaboratively across the IC.
