## Position Information

**\*\*\* OPEN UNTIL FILLED: This announcement will be open until the position is filled. Cut off points are scheduled in two-week increments. After each cut-off point, all compliant applications received during the previous two weeks will be reviewed for consideration.\*\*\***

This is an opportunity for:

- An internal candidate to fill a GS-13 cadre position.
- A Federal Government employee to serve on a two-year reimbursable detail assignment in the ODNI. The detail assignment may be extended an additional year if all parties agree.

## Who May Apply

Current GS employees at the same grade or two grades lower than the advertised position grade may apply.

Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- For a cadre assignment:
  - Current ODNI permanent cadre.
- For a detailee assignment:
  - Current Federal Government employees. (Current GS employees at the same grade or two grades lower than the advertised position grade may apply.)

## Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

## Component Mission

The Assistant Director of National Intelligence for Systems and Resource Analyses (ADNI/SRA) is the principle staff assistant and advisor to the Director of National Intelligence (DNI) on matters pertaining to program analyses, evaluation, and resource allocation through independent analyses and advice relevant to the National Intelligence Program (NIP) and the Military Intelligence Program. As the principle advisor to the DNI on these matters, the ADNI/SRA analyzes, evaluates, and provides alternative plans, programs, and budgets for DNI priority objectives, projected threats, estimated costs, and resource constraints.
