## **Component Mission:**

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Intelligence Integration (DDNI/II) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. DDNI/II is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/II is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/II is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

The National Intelligence Council (NIC) consists of the most senior intelligence analysts supporting the Director of National Intelligence (DNI) in carrying out responsibilities as the head of the Intelligence Community (IC) and as the principal adviser to the President for intelligence matters related to national security. The NIC produces a variety of all-source, IC coordinated intelligence reports, including its flagship product, the National Intelligence Estimate, which represents the Intelligence Community's most authoritative statement on a key national security issue.

## **Major Duties and Responsibilities (MDRs)**

- Manage the NIC budgetary process, including forecasting, spend plans, resource projections, and execution.
- Liaise with leadership to manage and oversee programmatic initiatives and daily activities of the NIC Business Office to include contracts management, conference execution, budget execution, logistics, facilities management, and travel oversight.
- Lead a team of professional staff: assess performance and oversee and provide feedback on professional development.
- Serve as senior advisor to the Chairman, Vice-Chairman, and Chief of Staff regarding NIC resources.
- Monitor and recommend efficiencies in budget execution plans, evaluations, and justification to ensure adequate resource availability
- Monitor situations and issues affecting component equities, anticipating impact to component resources, and in planning and developing proactive solutions for leadership.

- Interpret and apply regulations and policies, review and investigate issues and develop innovative solutions and options to overcome challenges.
- Develop and maintain networks and coalitions with other ODNI components to promote, monitor, and implement best-practice methodologies for business office functions.
- Recognize, value, build, and leverage diverse collaborative networks with the ODNI and across the IC.

#### Mandatory and Educational Requirements

- Expert knowledge of budgetary processes, federal and ODNI fiscal cycle, funding practices, and legal requirements for facilities, logistics, and contracting issues. COTR certification.
- Superior ability to manage competing priorities while maintaining a high level of attention to detail; superior ability to work effectively with NIC leadership and ODNI's leaders in a highly active, fast-paced, and demanding organization.
- Expert knowledge of ODNI business systems and IC administrative policies, procedures, and authorities.
- Expert knowledge and understanding of resource management concepts, principles, and practices to facilitate and integrate support services.
- Superior interpersonal, organizational, and problem-solving skills, including superior ability to develop working relationships and networks with internal and external managers and staff.
- Extensive leadership and management experience building, justifying, executing, and sustaining large-scale budgetary programs to include knowledge of the program, planning, and budget execution systems.
- Expert ability to provide advice to senior officials inside and outside the IC on complex, sensitive, and controversial substantive or programmatic topics.
- Expert ability to communicate complex information clearly, concisely, and in a manner that is targeted to and meets the needs of the NIC.
- Creative problem-solving skills and superior ability to provide leadership in carrying out mission responsibilities.

#### Desired Requirements

- Extensive experience working with multiple IC agencies and other Government organizations.
- Mastery knowledge/experience in Contracts Administration, appropriations law, and procedure including contracting methods, types of acquisition instruments, business and negotiation strategies, techniques of cost analysis, and monitoring the performance of long term contracts and agreements with multiple partners.
