Former members of the Peace Corps may be considered for ODNI employment only if five full years have elapsed since separation from the Peace Corps.

- For a cadre assignment:
 - Current ODNI cadre.
 - Current ODNI Staff Reserve Employees. (A staff reserve employee who currently occupies this position may not apply.)
- For a detailee assignment:

- Current Federal Government employees.

Salary Determination

- The ODNI uses a rank-in-person system in which rank is attached to the individual. A selected ODNI candidate or other Federal Government candidate will be assigned to the position at the employee's current GS grade and salary.
- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The Office of the Director of National Intelligence (ODNI) Deputy Director of National Intelligence for Intelligence Integration (DDNI/II) serves as the Director of National Intelligence's (DNI) senior leader for intelligence integration across the IC enterprise. DDNI/II is responsible for ensuring customer outcomes by leading advances in collection and analysis that ensure the quality, timeliness, and utility of insights for the nation's decision-makers. Additionally, DDNI/II is responsible for increasing expertise and improving tradecraft at all levels through specialization, integration, and collaboration. DDNI/II is responsible for the strategic vision, direction, and planning to deliver a more integrated IC reflecting the collective wisdom of our collection and analytic components to advance, in support of the National Intelligence Managers, the Unifying Intelligence Strategies (UIS).

Major Duties and Responsibilities (MDRs)

- Provide logistics support to the NIC, ensuring all aspects of logistics requirements are met by integrating logistics solutions to meet ODNI component objectives, contributing to and managing logistics plans for specific projects or events in support of customer requirements.
- Provide oversight in the monitoring, identification, and resolution of the day-to-day facility renovation projects across the NIC. Provide recommendations for new space allocations, construction and funding to meet the growing needs of the NIC.
- Manage the NIC's accountable property program by tracking and managing the assignment, and disposition of accountable property, and ensuring that property inventories are current and accurate.
- Develop, document, and implement detailed logistics plans for the NIC. Provide rapid response to emerging logistics support requirements, actively participating in the definition and execution of key logistics support services.
- Manage the inventory and logistics procurement process, anticipate stock and supply needs, ensure operational readiness through management of contingency materials, and manage the transportation of materials.
- Maintain productive working relationships with ODNI staff, other IC organizations, and private service providers in order to provide logistics support to ODNI and its component organizations.

Mandatory and Educational Requirements

- Thorough knowledge of ODNI's logistics processes, policies, regulations, and unique authorities and of ODNI's accountable property program.
- Thorough knowledge of property management or other logistics-related disciplines such as supply chain management, inventory management, warehousing procedures, office relocations, shipping and receiving, transportation, facilities support, and contracts.
- Thorough knowledge of project management with proven ability to plan, organize, and coordinate requirements and priorities.
- Thorough knowledge of logistic processes, policies, and regulations, as well as experience developing operational policies and standard operating procedures.
- Thorough organizational, problem-solving, and oral and written communication skills as well as knowledge of various application systems.
- Ability to establish regular contact with high-level internal and external resources and have periodic contacts with other offices, supplying or seeking information on specialized and non-specialized matters; use of tact when expressing ideas or opinions to senior leaders, customers, contractors, and other stakeholders.
- Interpersonal, organizational, and problem-solving skills, including ability to work effectively both independently and in a team or collaborative environment.
- Ability to communicate, both verbally and in writing, complex information in a clear, concise manner that is targeted to and meets the needs of diverse audiences.

Desired Requirements

None.
