Thanks be to God and peace be upon his prophet and his companions

To dear brother 'Abdallah

Peace and God's mercy and blessings be upon you

I pray that you receive this letter while in good health

My dear brother,

I had sent you a previous message through Shaykh Mahmud, asking for your phone number so that I can arrange the affairs of my marriage to the daughter of Shaykh Abu 'Abd-al-Rahman (God's mercy be upon him) and I hope that we will receive the number very soon God willing.

My dear brother,

I would like to recommend to you that we arrange for a meeting. If you have any suggestions, please write me and let me know.

1. We are calling you from Peshawar, and the brother who is with me will conduct the phone call with you and we agree to a place to meet at in Peshawar.

And lastly,

My father sends you his greetings. May God keep you. Peace and God's mercy and blessings be upon you.

Your brother,

Khalid
