(TN: The paper on which this message is drafted has a watermark that reads, "My sister in Allah.")

In the name of Allah the merciful and compassionate

My dear sister Um 'Abd-al-Rahman, May Allah protect her

Allah's peace, mercy, and blessings be upon you

I hope that this message brings you best wishes and supplications for you to be in the best health, safety, and secure conditions from Allah Almighty.

We congratulate you for the falling of the tyrants in Egypt and Tunisia and ask Allah to purify the rest of the Muslims' countries. We hope for the spread of prosperity, safety, and control of Allah's Shari'a.

To begin, my beloved sister, I give you the good news that a new dawn has shined on us and the stress of meeting you, thanks to Allah, has been removed after we, with Allah's help, have overcome the security obstacle that delayed meeting you for sure, with Allah's permission. We are waiting for a message from the brothers that will include the arrangement for the final step to meet you. The brother who is in charge in your area will inform you soon, God willing. My son will be in your reception in a safe location in Peshawar area to materialize our reunion, which our hearts have been looking forward to and our tongues have been constantly supplicating for its completion.

My son thanks Allah, who answered his prayers and his wish will come true soon, God willing. He waits impatiently for the day when we meet, when the matter is complete, and our two homes and our two lives are illuminated. It has been said that with patience you gain what you want.

He also thanks Allah who granted him success in that. Allah's messenger said, (TN: Following is a loose translation of the Hadith, "Gain the religion otherwise your hands will be stock to dirt." (TN: The Hadith talks about four reasons for which a woman is married: For her wealth, beauty, lineage, and her

religion; in this order. Hands be stock to dirt refers to poverty.) This is how he (TN: His son) counts her (TN: Possibly the bride); her advocate is Allah. This is out of Allah's grace upon him. He prays that may Allah gather him with you soon. He says that, with Allah's permission, he will compensate her for what she missed and she waits for him. May Allah gather him with her in happiness.

My beloved sister,

I hope from Allah that this will be the last message that precedes meeting you. (TN: When we meet) we will be able to clarify for you all the confusion in the previous messages, on the top of which is the message of (The four months) (TN: The phrase "four months" is underlined.) I hope you will consider it completely canceled. I wanted to include in this message some words to clarify part of it. Allah knows our stance of finalizing the matter as it is, especially my son, who is the concerned (TN: party). We have been through difficult security circumstances; God only knows it. The matter is not hidden from you, my precious sister. However, by the grace of Allah, things changed and every day that goes by our situation is from good to better; thanks to Allah.

My beloved sister, you did not fall short with us, may Allah reward you. May Allah help me in returning the favor in words and in action.

(TN: Underlined text begins here)

Before concluding:

My virtuous sister, Allah knows that we have things in our minds that would take long (TN: Time) to explain; the situation does not permit mentioning them. Soon, we will meet with you and will have the opportunity to clarify all the confusion of the "Four Months" message as well as others. Thanks to God that the length of time has increased love. (TN: End of underlined text)

To you (TN: I send) my best regards and my son sends his greetings to you.

Please transfer my greetings to all my beloved daughters, especially the precious bride, for them my longing increases day after day.

All from here send their greetings, especially my daughters and my grandchildren.

Security note: (TN: Security note is underlined)

Please do not let anyone know about the correspondents and that the meeting between us is near. Allah's messenger, peace be upon him, said, "Seek secrecy to accomplish your things."

Please destroy this message after reading it.

Tuesday 26 April 2011

We wait for a message from you, and for the meeting to take place immediately after it, with Allah's permission.
